DOING DECLARATION

I _____ (insert name)

- ✓ Am committed to completing all the lessons and action tasks in the *Email List Accelerator Project!*
- ✓ I will **prioritise time** out of my schedule to focus on DOING, and will not use being 'too busy' as a reason for not taking *Massive Imperfect Action*.
- ✓ I will not let *perfectionism* distract me, or hold me back from building and launching my marketing funnel.
- ✓ I'm **prepared to invest** in myself, my business and the success of launching my automated marketing funnel.
- ✓ I know that chasing shiny objects, dreaming and wishing won't move my business forward. Instead, I am committed to being **laser-focused**, an action-taker free from excuses, complaining and reasons why not.
- ✓ I will wipe the words "I give up" from my vocabulary, and choose to grow from every mistake I make.
- ✓ I **believe I am an intelligent woman**, and I will face my fears head on because everything is work-out-able.
